ABOUT

Passionate about communication, visual design and strategic storytelling, and always looking towards making purposeful work. I've gained experience in Public Relations, graphic design, content creation, campaign strategy and illustration. Currently experimenting with agentic AI in Claude to build more efficient workflows and generative AI with Flora for content and creative concept ideation.

SKILLS

- **Design and illustration**: Adobe Suite, Procreate, Canva, Figma.
- **Other**: Mailchimp, Capcut, WordPress, Metricool, Notion, HTML and CSS basics
- **Strengths**: brand identity, art direction, design, illustration, typography, content planning, campaign ideation.
- **AI tools:** Claude, Chat GPT, Flora AI, Midjourney, Gemini.
